FRIENDS  
金華昌**

**Dear Friends,**

We so appreciate our donors and members who allow us to continue the preservation, education, and joy the Kam Wah Chung & Company Museum provides to the public.

The future is bright for our beloved museum. Annual attendance is increasing and planning is underway for a new interpretative center, to open in the 2025 season. During this time of growth, membership and donations bear great importance and value to the continuation of our mission.
